COURSE DESCRIPTION

Mandarin (Chinese) for Beginners – Children –

DESCRIPTION: This is a specially designed course for young children at beginning level. In this course, we will learn Chinese pronunciation system-pinyin, Chinese characters and reading through various vivid and interesting activities. As the course goes by, the children will learn daily phrases, numbers, the names of colors, fruit and animals. During the course, they will also learn some popular Chinese Children's songs and interesting Chinese bedtime stories like Monkey King.
